

The Friends of the Holbrook Public Library was organized in 1991 as a volunteer, non-profit organization to support the Holbrook Public Library. We encourage the use of the library's resources and services, promote the value of the library to the community, organize fund raising events, and provide funds for special needs.

Some of the many past events presented by the Friends include:

Medieval Fantasy Festival
Hawaiian Luau
Book sales
Art auctions
Community Rummage Sales
Memorial Golf Tournament

Among the many projects the Friends have funded are:

The new library building
Furnishing and decoration of new library
New books and other media equipment for the library
Summer Reading Programs
Harry Potter Trivia Contest
Teen Programs
Teddy Bear Picnic
Visiting Storytellers

The Holbrook Public Library is supported by city sales tax dollars, but public funding is never sufficient to provide all of the services and facilities the community wants and needs. The easiest way for you to demonstrate your appreciation and support for your library, and its continued improvement, is to become a member of **the Friends of the Holbrook Public Library**.

In recent years, usage of the library has increased nearly 150%. More than ever the library needs a strong volunteer base to help provide the services that are needed by the community of Holbrook!

Everyone needs the support of their friends, and the Library is no different. You can be the Library's newest Friend! There are several ways to help: paying yearly dues, manning a book sale, organizing an event, or just coming to the meetings to give your input. It all helps to support the Friends of the Library. Show the Library you care by becoming a Friend of the Holbrook Public Library!

Visit our website for news and events!
